20th International Workshop on Project Management and Scheduling (PMS2026)

13-16 Apr 2026 TOULOUSE (France)

Dear Maher Mallem

We have the pleasure to inform you that your paper

Notes on scheduling radio-astronomical observations, M. Malleo [et al.] (sciencesconf.org/pms2026/690592)

has been accepted for presentation at PMS 2026 (submitted category: Extended abstract).

You will find the referees reports by members of the International Program Committee on your sciencesconf personal space.

Please take carefully account of the referees comments and submit the final version of your paper not later than February 20th.

Please also register before February 20th to benefit from the early bird fee.

For the candidate to the Best Student Paper Award, a specific jury with members of the IPC that are not coauthors of the paper will meet soon to select the finalists and you will be notified in due time. In case you are not selected as a Best Student Paper Award finalist, your paper will appear as a regular extended abstract.

Sincerely,
